## DETAILED ACTION

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/17/2010 has been entered.

### ***Response to Amendment***

Claims 1, 6, and 10 have been amended. Claims 1-20 are pending.

### ***Allowable Subject Matter***

Claims 1-20 are allowable. The following is a statement of reasons for the indication of allowable subject matter: Independent claims 1, 6, and 10, include the limitations "sending the data telegrams (packets) ... during a first phase of a transmission cycle, from first users to second users ... wherein the first phase is **characterized by an end time based on a defined receive time of the end of a data telegram ... at one of the second users**" (emphasis added). Previous rejections applied a back-off window scheme to the claim, which was reasonably applicable to claim language. However, the most recent claim amendment, suggested in an Advisory Action includes the limitation "in a switchable network" understood to be distinct from a "shared medium" network, e.g. bus, wireless, etc (See Advisory Action 2/17/2010, last paragraph, citing applicant's specification). Such amendment appears to overcome the

previously cited references, which are directed to cycles and back-off times on a bus. Such limitations do not appear explicitly taught, nor do they appear obvious over, the prior art of record when considering all limitations of the claim as a whole.

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy J. Weidner whose telephone number is (571) 270-1825. The examiner can normally be reached on Monday - Friday, 8:00 AM - 5:00 PM, EST.
